EPA honors Nike for commuters support

Friday October 20, 4:13 pm ET

For the third straight year, Nike Inc. has been recognized by the U.S. Environmental Protection Agency as one of the country's top workplaces for commuters.

The EPA cited the company's innovative efforts to promote alternative ways for employees to get to work, from carpooling, buses and trains, to skateboarding, biking, walking and telecommuting.

The U.S. EPA's Best Workplaces for Commuters list ranks Nike (NYSE: [NKE](#) - [News](#)) 17th out of 133 Fortune 500 companies making the list. Nike, which is based near Beaverton, is also the top-ranked company in the apparel industry.
